- Liquidations
- Insolvency
- Recovery

Introduction:

FGW Corporate Recovery & Insolvency is an established provider of services and solutions in the corporate recovery and insolvency services sector.

We provide expert advice on all aspects of corporate matters; creditors, voluntary liquidations, business restructuring, examination services, debt re-financing and interim financial management.

Our Team is made up of highly motivated professionals who have vast experience in a broad range of industries.

In order to provide effective solutions to our clients, we appoint a partner to over see each case.

Services Include:

- Creditors voluntary liquidations
- Members voluntary liquidations
- Corporate recovery services
- Loan restructuring and negotiation
- Cashflow management
- Advice on personal guarantees
- Dispute resolution with hostile liquidators
- Representation at creditors meetings
- Independent accountants reports
- Business restructuring
